All That I Need

Generation Unleashed

ALL THAT I NEED

Verse:
You brought me from my knees
From it all you rescued me
From hurt and shame that should never be
Your Love prevailed and set me free

Pre-Chorus:
You carried me away
Taking all my sin and shame
Now forever changed
I'm standing here by your grace

Chorus:
You are the way the truth everlasting
You are the hope of glory inside of me
Jesus You are all that I need
Jesus You are all that I need

Verse 2:
You caught me in the arms of grace
Brought me through the wilderness
You shine your light upon my face
Leading me in all your ways

Bridge:
How great is your love that carries me
From all that I was you rescued me
How great is your love
Your love for me
