

# Twisted (Dev79 Remix)

## Gorilla Zoe

In the club, getting twisted hit the floor if you with me  
In the club, getting twisted hands up if you're with me  
In the club, getting twisted hands up if you're with me  
In the club, getting twisted, getting twistedOK, let's go,  
Shawty got her hands on ground and her ass' on my face  
Don't tell her my boy drinks from the vase  
Let's do another round but to buy another case  
The white and the brown  
Shake what you mama give me make me wanna meet your mama  
Yeah, got me through her money, baby girl there's rumba  
We can have a slumber party, hardy, drinks of the world  
Girl your ass is memorable, you should be a center fold  
Got me stuck, I'm so caught up, on octopus no tentacles  
Gon' remind your ass how fine you is,  
Tell your man how blind he is  
Bet that adds up rewind that shit,  
DJ might of rewind this shitDance,  
Shake what's in your pants  
Do it with no hands  
Or in the three point stance,  
Get out of control,  
Make your booty roll  
Don't stop girl let's go,  
Put your hands on the floor,  
Put your hands on the floorIn the club,  
Getting twisted hit the floor if you with me  
In the club,  
Getting twisted hands up if you're with me  
In the club,  
Getting twisted hands up if you're with me  
In the club,  
Getting twisted, getting twisted, getting twistedWe getting twisted in the club,  
You tell me what's in your cup  
We got bottles off the bub',  
You got bud then roll it up,  
You got cash then throw a stack  
You got hands then throw it back,  
We got rose on tap  
Getting twisted that's a fact

We can do a couple  
Two more of those and I just might love her  
Tell her bring a friend we just might double,  
    You nasty girl, you look like trouble  
    You ? don't mean to but your bubble  
        Bounce that bubble like rubber  
        Eat it like supper, wake up in the morning  
    Blame it on the liquor, I was drunker than a moth'a'Dance,  
        Shake what's in your pants  
        Do it with no hands  
        Or in the three point stance,  
            Get out of control,  
            Make your booty roll  
            Don't stop girl let's go,  
                Put your hands on the floor,  
                Put your hands on the floorIn the club,  
        Getting twisted hit the floor if you with me  
            In the club,  
        Getting twisted hands up if you're with me  
            In the club,  
        Getting twisted hands up if you're with me  
            In the club,  
        Getting twisted hit the floor if you with me  
            In the club,  
        Getting twisted hands up if you're with me  
            In the club,  
        Getting twisted hands up if you're with me  
            In the club,  
    Getting twisted, getting twisted, getting twisted
