## DJ Felli Fel

(DJ Felli Fel)I don't about you

I'm doing what I do

In the way Im living is great

Only thing that I can do

Bitches buy, nigga clear, everything is granted

Someone say with the Venice no relevant shops,

Show me off when you see a nigga, sipping slow mol in a motion pictureI know all about you

I'm doing what I do

In the way Im living is great

Only thing that I can do
