Within You Without You

Angels Of Venice

We were talking
About the space between us all
And the people
Who hide themselves behind a wall
Of illusion, never glimpse the truth
Then it's far too late, when they pass away

We were talking
About the love we all could share
When we find it
To try our best to hold it there
With our love, with our love
We could save the world if they only knew

Try to realize it's all within yourself
No one else can make you change
And to see you're really only very small
And life flows on within you and without you

We were talking
About the love that's gone so cold
And the people
Who gain the world and lose their soul
They don't know, they can't see
Are you one of them?

When you've seen beyond yourself then you may find
Peace of mind is waiting there
And the time will come when you see we're all one
And life flows on within you and without you
