

Emotion (the Neptunes Remix)

Destiny's Child

It's over and done
But the heartache lives on inside
And who's the one you're clinging to
Instead of me tonight? Ooh, baby
And where are you now, now that I need you?
Tears on my pillow wherever you go
I'll cry me a river that leads to your ocean
You never see me fall apart
In the words of a broken heart
It's just emotion takin' me over
Caught up in sorrow, lost in my soul
But if you don't come back, come home to me, darlin'
Don't you know there's nobody left in this world
To hold me tight?
Don't you know there's nobody left in this world
To kiss goodnight? goodnight, goodnight
I'm here at your side
I'm part of all the things you are
And you've got a part of someone else
You've got to find your shining star
And where are you now, now that I need you?
Tears on my pillow wherever you go
I'll cry me a river that leads to your ocean
You never see me fall apart
In the words of a broken heart
It's just emotion takin' me over
Caught up in sorrow, lost in my soul
But if you don't come back
Come home to me, darlin'
Nobody left in this world
To hold me tight
Nobody left in this world
To kiss goodnight, goodnight
And where are you now, now that I need you?
Tears on my pillow wherever you go
I'll cry me a river that leads to your ocean
You never see me fall apart
In the words of a broken heart
It's just emotion takin' me over

Caught up in sorrow, lost in my soul
But if you don't come back
Come home to me, darlin'
Don't you know there's nobody left in this world
To hold me tight
Nobody left in this world
To kiss goodnight, goodnight, goodnight
