In My Arms

Jon Foreman

Here my dear, this is where we'll shake the nightmare free
I dream to hold you in my arms
I dream to hold you in my arms
To hold you in my arms
Wide awake in my armsI think I figured it out, we need to be together
Like the shore and the sea
We are not one thing, we're drawn here together
My ocean and meI dream to hold you in my arms
I dream to hold you in my arms
To hold you in my arms
Wide awake in my armsLove, we sleep apart
For the last time, for the last time
