

# Rainbow Stew

**Merle Haggard**

There's a big, brown cloud in the city  
And the countryside's a sin  
The price of life is too high to give up  
It's gotta come down againThe world wide war is over and done  
And the dream of peace comes true  
We'll all be drinkin' that free bubble-ubb  
And eatin' that rainbow stewWhen they find out how to burn water  
And the gasoline car is gone  
When an airplane flies without any fuel  
And the satellite heats our homeBut one of these days when the air clears up  
And the sun comes shinin' through  
We'll all be drinkin' that free bubble-ubb  
And eatin' that rainbow stewEatin' rainbow stew in a silver spoon  
Underneath that sky of blue  
We'll all be drinkin' that free bubble-ubb  
And eatin' that rainbow stewYou don't have to get high to get happy  
Just think about what's in store  
When people start doin' what they oughta be doin'  
Then they won't be booin' no moreWhen a President goes through the White House door  
Does what he says he'll do  
We'll all be drinkin' that free bubble-ubb  
And eatin' that rainbow stewEatin' rainbow stew in a silver spoon  
Underneath that sky of blue  
We'll all be drinkin' that free bubble-ubb  
And eatin' that rainbow stewEatin' rainbow stew in a silver spoon  
Underneath that sky of blue  
We'll all be drinkin' free bubble-ubb  
And eatin' that rainbow stew
