

Whatever Happens, I Love You

Morrissey

Names, secret names
But never in my favor
But when all is said and done
It's you I loveCold loving prose
We stole each other's clothes
But when all is said and done
It's you I loveYes, yes, yes, oh, yes
Oh no, yes, yes, yes, yes, yes, yes
Oh, yes, yes, yes, yes, yes, yes, yesFights for rights
Everyone's oh so quick with advice
And when they've all said their piece
It's still you I loveNow just like then
Then, then, then
Then, then, yes, yes
No, yes, yes, yes, yes, yes
Yes, yes, oh
