Screamager

Therapy?

With a face like this, I won't break any hearts
And thinking like that, I won't make any friendsScrew that, forget about that
I don't want to think about anything like that
Screw that, forget about that
I don't want to know about anything like thatI've got nothing to do but hang around
And get screwed up on you
I've got nothing to do but hang around
And get screwed up on youYour beauty makes me feel alone
I look inside but no one's homeScrew that, forget about that
I don't want to think about anything like that
Screw that, forget about that
I don't want to know about anything like thatI've got nothing to do but hang around
And get screwed up on you
I've got nothing to do but hang around
And get screwed up on youI've got nothing to do but hang around
And get screwed up on you
I've got nothing to do but hang around
And get screwed up on youI've got nothing to do but hang around
And get screwed up on you
I've got nothing to do but hang around
And get screwed up on youBut get screwed up on you
But get screwed up on you
