

# Amazing

## Cassie Davis

Amazing, outstanding  
Who'd of thought it  
It's kinda breath taking the way that your still loving me  
I'm ready to give you all that I have take the best of me  
I am here before you  
And your the reason  
That I'm living , I am yours every part of me  
And rather you is exactly where I really want to be You smile and my pain disapears  
It seems as though my troubles flyin' away, yeah  
What we had is just the most amazing, amazing thing  
Your right there by my side  
When I want thought to say its ok  
Yeah  
HmMMM Those three words that you say  
I love you  
You never know how much it means when you say that to me  
Three words just turn all my dreams into reality  
Right here in your arms  
Where I belong  
I never want to live a day without you by my side  
Look in your eyes and find  
That on you I can rely You smile and my pain disapears  
It seems as though my troubles flyin' away, yeah  
What we had is us the most amazing, amazing thing  
Your right there by my side  
When I thought to say its ok  
Yeah You take my breath away  
See things in me  
I can't see in myself  
Where everything is crazy  
And my worlds gettin' hazey  
And wouldn't turn to no one else  
Yeah You smile and my pain disapears  
It seems as though my troubles flyin' away, away  
What we had is us the most amazing, amazing thing  
Your right there by my side  
When I thought to say its ok  
Yeah hey hey You, you smile  
In my face

Disappear

It seems as though my troubles flyin' away

What we had is just the most amazing, amazing thing

When your right there by my side when I thought to say it's okHmMMM your smile and my pain disappears
