Show Me The Way

Alexandra Stan

I was afraid to spell
And I know that you were too
If we try there is nothing to loose right now
There's just me and youI've never felt this way
I love you, I love you
I've never felt this way
Baby you, you show me the wayI've never felt this way
I love you, I love you
I've never felt this way
Baby you, you show me the way(Put your lips like this)
(Like this)I was afraid to spell
And I know that you were too
If we try there is nothing to loose right now
There's just me and youI always remember, I can not believe
But my baby, you show me
You show me that it's realI've never felt this way
I love you, I love you
I've never felt this way
Baby you, you show me the wayI've never felt this way
I love you, I love you
I've never felt this way
Baby you, you show me the wayI thought you were just for a night
But you seemed to be much more
I felt something inside my heart
What your eyes could showI always remember, I can not believe
But my baby, you show me
You show me that it's realI've never felt this way
I love you, I love you
I've never felt this way
Baby you, you show me the wayI've never felt this way
I've never felt this way
Baby you, you show me the way
