

# A Good Heart

## Feargal Sharkey

I hear a lot of stories  
I suppose they could be true  
All about love  
And what it can do to you  
Highest risk of striking out  
The risk of getting hurt  
And still  
I have so much to learn  
Well, I know  
'Cause I think about it all the time  
I know  
That real love has quite a price  
And a good heart  
These days, is hard to find  
(A good heart)  
True love, the lasting kind  
A good heart  
These days, is hard to find  
So please be gentle with this heart of mine  
My expectations may be high  
I blamed it on my youth  
Soon enough  
I'll learned the painful truth  
I'll face it like a fighter  
Then boast of how I've grown  
Anything is better  
Than being alone  
Well, I know  
'Cause I learn a little every day  
I know  
'Cause I listen when the experts say  
That a good heart  
These days, is hard to find  
(A good heart)  
True love, the lasting kind  
A good heart  
These days, is hard to find  
So please be gentle with this heart of mine  
As I look back  
On all my childhood dreams  
My ideas of love weren't  
As foolish as they seemed  
If I don't start looking now  
I'll be left behind  
And a good heart these days  
It's hard to find  
Well, I know  
It's a dream I'm willing to defend  
I know  
It will all be worth it in the end  
And a good heart  
These days, is hard to find

(A good heart)  
True love, the lasting kindA good heart  
These days, is hard to find  
So please be gentle with this heart of mineAnd a good heart  
These days, is hard to find  
(A good heart)  
True love, the lasting kindA good heart  
These days, is hard to find  
So please be gentle with this heart  
With this heart of mineA good heart, a good heart  
A good heart, a good heart  
A good heart, a good heart  
A good heart
