Forgiven

Sylver

I still regret I turned my back on you

No one makes me feel the way you doNever meant to cause you trouble

Never meant to do you harm

I was weakened by temptation's wing of charmI want to be forgiven

I want to hold you in my arms again

To be forgiven

'Cause I still need a friendI want to be forgiven

I want to hold you in my arms again

To be forgiven

'Cause I still need a friend

I want to be forgivenAlmost drowning in the sea of sin Can you ease the pain I feel within?Never meant to cause you trouble

Never meant to do you harm

I was weakened by temptation's wing of charmI want to be forgiven

I want to hold you in my arms again

To be forgiven

'Cause I still need a friendI want to be forgiven

I want to hold you in my arms again

To be forgiven

'Cause I still need a friend

I want to be forgivenNever meant to cause you trouble

Never meant to do you harm

I was weakened by temptation's wing of charmNever meant to cause you trouble

Never meant to do you harm

I was weakened by temptation's wing of charmI want to be forgiven

I want to hold you in my arms again

To be forgiven

'Cause I still need a friendI want to be forgiven

I want to hold you in my arms again

To be forgiven

'Cause I still need a friendI want to be forgiven

I want to hold you in my arms again

To be forgiven

'Cause I still need a friend

I want to be forgiven
