

# State of Shock

## Marc Sens

Yeah, come on, baby  
You gotta be mine 'cause you're so fine  
I like your style, it makes me wild  
You take it to me good, you like it, know you should  
You get me on my knees, well, please, baby, please  
    Listen  
She looks so great, every time I see her face  
She put me in a state, a state of shock  
    Oh, do it, come on, baby  
    Come on, baby, come on, baby  
She put me on my knees, please, baby, please  
I know you like to tease, please, baby, please  
You take it to me good, you like it, know you should  
I love the way you walk and talk, baby, talk  
    Listen  
She looks so great, every time I see her face  
She put me in a state, a state of shock  
    She put me, state of shock  
    Come on, dear, no, come over here  
    Talk, talk to me, state of shock  
    State of shock  
    You put me in  
You know I've really love you, baby  
    State of shock  
You know I really want you mama  
    You got me paralyzed  
    You got me paralyzed  
    You got me catatonic  
    You got me catatonic, baby  
    State of shock  
    You got me supersonic  
    You got me supersonic, baby  
Baby, try, you know I'm deep fried  
    State of shock  
Yeah, look what you've done to me  
    Look what you done to me  
    Look what you done to me  
    Yeah, I can hardly move  
    State of shock

You know I need mouth to mouth resuscitation  
    Come on, baby  
You know I've really loved you, baby  
    State of shock  
You know I've really want you for me  
    Yeah, baby, yeah, baby  
Just look at me, look at me  
    State of shock  
    You drive me  
    You call me, you call me  
You call me in a state of shock  
    Look at that, look at me  
    Look at me, look at me  
    Look at me, oh, look at me
