

# One Kiss At A Time

## Boyzone

One kiss at a time I woke up this morning  
With a brand new point of view  
Something has changed my world  
And girl that something is you I don't know how to explain it  
But I knew right from the start  
This feelin' inside, it can't be denied  
And I'm gonna win your heart One kiss at a time  
Sooner or later  
Love's gonna get ya  
No way that you can hide One kiss at a time  
Minute by minute, hour by hour  
I'm gonna make you mine  
One kiss at a time In all of the heavens  
You're the only star that shines  
I've just gotta get to you  
So I'm workin' overtime I've climbed every mountain  
Just to show you that I care  
The searchin' is done  
And girl you're the one  
I'm gonna take you there One kiss at a time  
Sooner or later  
Love's gonna get ya  
No way that you can hide One kiss at a time  
Minute by minute, hour by hour  
I'm gonna make you mine  
One kiss at a time Hey now, hey now  
Can't believe the way I feel now, feel now  
One kiss at a time  
Hey now, hey now  
Can't you feel it when it's real now, real now?  
One kiss at a time I've climbed every mountain  
Just to show you that I care  
The searchin' is done  
And girl you're the one  
I'm gonna take you there One kiss at a time  
Sooner or later  
Love's gonna get ya  
No way that you can hide One kiss at a time  
Minute by minute, hour by hour

I'm gonna make you mine  
One kiss at a timeHey now, hey now  
Can't believe the way I feel now, feel now  
I can't believe the way I feel now  
Hey now, hey now  
Can't you feel it when it's real now, real now?  
SoOne kiss at a time  
Sooner or later  
Love's gonna get ya  
No way that you can hideOne kiss at a time  
Minute by minute, hour by hour  
I'm gonna make you mineOne kiss at a time  
Sooner or later  
Love's gonna get ya  
No way that you can hideOne kiss at a time  
Minute by minute, hour by hour  
I'm gonna make you mine  
One kiss at a time
