Crossfire

Flaming Peter

There's a still in the street outside your window Your keeping secrets on your pillow Let me inside, no cause for alarm I promise tonight not do no harm I promise ya, babe, I won't do ya no harm And we're caught within the crossfire Of heaven and hell And we're searchin' for shelter Lay your body down Lay your body down Lay your body down Watching you dress as you turn down the lights I forget all about the storm outside Dark clouds roll their way over town Heartache and pain came a-pouring down Like hail, sleet and rain, yeah, they're handing it out And we're caught within the crossfire Of heaven and hell And we're searchin' for shelter Lay your body down Tell the devil that he can go back from where he came His fiery arrows drew their beat in vain And when the hardest part is over, we'll be here And our dreams will break the boundaries of our fear The boundaries of our fear Lay your body down Next to mine
