Julie Tearjerky

Eraserheads

Julie Tearjerky on the phone.
She says that I can't be alone.
Yeah she was told that time is gold.
Super strategy guide.
Super strategy guide.
Don't turn your back on an enemy.
She doesn't look to friendly.
It's a final fantasy.
Nothing stays the same.
No comic books.
No ugly looks.
No flaming tree.

Oh man, I need some more.
Need some more.
I hear her calling my name.
Julie Tearjerky on the ground.
She'll swallow anything that's round.
Pick it up next time around.
Nothing stays the same.
Nothing stays the same.
No happiness.
No loneliness.
No emptyness.
It wasn't here before.
Here before.
