

# Tough Lover

[Christina Aguilera](#)

Ooh, oh yeah yeah  
Oooh yeah yeah  
I need a tough lover, yeah yeah yeah  
I need a, a tough lover, woo  
I need a, a tough lover, yeah yeah yeah  
A tough lover, ooh yeah  
When he kisses me, I get that thrill  
When he does that wiggle I won't keep still  
I wanna a tough lover (yeah, yeah)  
A tough lover (woo)  
I need a tough lover (yeah, yeah)  
Tough lover (hum, hum)  
The seven sisters got nothing on him  
I'm talking about a lover who's fast as the wind  
Everyone will talk about how he got me fixed  
It ain't voodoo, it's just that twist  
He will be the greatest lover that ever come to pass

Don Juan ain't got the half the chance  
He's a tough lover (yeah, yeah)  
A tough lover (woo)  
He's a tough lover (yeah, yeah)  
A tough lover (oh oh)  
Hey, hey, heyah  
He'll make me laugh, he'll make me cry  
He'll be so tough he'll make Venus come alive  
He'll do anything that he wants to do  
Step on Jesse James's blue suede shoes, yeah  
A tough lover (yeah, yeah)  
A tough lover (woo)  
A tough lover (yeah, yeah)  
A tough lover (hey yeah, yeah yeah)  
A tough lover (yeah, yeah)  
A tough lover (yeah, yeah)  
A tough lover (oh oh)
