Killer (BLVCK CEILING Remix)

Psychic Rites

lyrics:

she's a sacrifice for love
and i've been watching her
under the moon

i won't stop 'til her eyes are shut
and i've been watching her
under the moon

(i will tear your body down)
she's a sacrifice for love
(you're a house condemned)
and i've been watching her
(i'll watch the lights go out)
under the moon

(tear your body down)
i won't stop 'til her eyes are shut
and i've been watching her
under the moon

tear your body down, oh

you're a house condemned
i'll watch the lights go out

i'll watch the lights go out
you just don't know it yet
