

Poison Ivy

Willie Mabon

Now cat, donâ€™t touch that gal there please
Youâ€™ll get wasted, down to your knees

CHORUS

Now I donâ€™t like to brag,
I donâ€™t like to say what I do
But Iâ€™m like poison ivy,
Iâ€™ll break out all over you

Everyday when I shave, wearinâ€™ my house coat
Two men have to hold me or Iâ€™ll cut my throat

Well I bought me a blade, one that I could afford
Too long to be a knife, and too short to be a sword

Last night some cat got smart with my niece
Now he wears a sign sayinâ€™ â€œerest in peaceâ€•

Now I donâ€™t claim to be bad, donâ€™t claim to be strong
I just like to keep bad people from doing me wrong
