

I'm A Little Mixed Up

[Diana Krall](#)

You said you love me never said goodbye
But I know that just was a lie
I'm a little mixed up ,mixed up about you
I'm just a little mixed up and I don't know what to do Yeah you said you love me gave me stars above
I've had your baby I had all your love
I'm a little mixed up ,mixed up about you
I'm just a little mixed up and I don't know what to do We used to walk and talk darling each other sing
But I know now you don't mean a thing
I'm a little mixed up ,mixed up about you
I'm just a little mixed up and I don't know what to do I'm just a mixed up ,mixed up ,mixed up fool
Mixed up all 'cause of you
I'm a little mixed up ,mixed up about you
I'm just a little mixed up and I don't know what to do Now you listen here baby what I have to say
If you don't want me I'll be on my way
I'm a little mixed up ,mixed up about you
I'm just a little mixed up and I don't know what to do And now you listen here baby won't you come on home
I'm sitting here crying and I'm all alone
I'm a little mixed up ,mixed up about you
I'm just a little mixed up and I don't know what to do
