Foot Patrol

Ironik

I was always on top of love
I knew what I had was enough
But that was long before you
And I, thought nothing could hold me down
Just me and myself from hanging out
That was my life without youYou came and changed everything
Took me from fall to spring
Degraded by love, for you il do anythingSo I let go, can't say no
You got me on foot patrol
With you I believe anything you need
You just gotta say so
When I'm with you, its hard to, keep myself under control
Its alright I'm on the other side of love
You got me on foot patrolYer I've made some mistakes in my life
But I never stopped to think twice
And that's what you showed me
For the first time, now when I close my eyes
I see my vision to survive
Now I can't live without youYou came and changed everything
Took me from fall to spring
Degraded by love, for you il do anythingSo I let go, can't say no
You got me on foot patrol
With you I believe anything you need
You just gotta say so
When I'm with you, its hard to, keep myself under control
Its alright I'm on the other side of love
You got me on foot patrol'cause the loves so strong
I feel like nothing can be wrong
Your heart is mine and I dedicate this song
To you for life, I ain't gonna strive
I'm under control and I can't let go
So I just wanna say thanks to Daniel for lettin me share my love out on thii track 'cause he knows, and anybody else that's in my situation, just let your loved one know.So I let go, can't say no
You got me on foot patrol
With you I believe anything you need
You just gotta say so
When I'm with you, its hard to, keep myself under control
Its alright I'm on the other side of love
You got me on foot patrolSo I let go, can't say no

You got me on foot patrol
With you I believe anything you need
You just gotta say so
When I'm with you, its hard to, keep myself under control
Its alright I'm on the other side of love
You got me on foot patrol
