On My Way (MNEK Mix)

Charlie Brown

Move in circles at night
You've given up the fight
Like the streets that you're always walking on
You died inside
And you don't know why
So you try to turn the light onBut stand up and never say never
'Cause this life is gonna get better
Take a breath, shake it off and say
I'm on my wayYou been down and feel so fed up
When they tell you, you might not get up
Might not be on top of the world but hey
Here's what you sayYou might work but I work harder
You might fight but I fight smarter
Might not be on the top of the world but hey
I'm on my way
You might fly but I fly higher
You're so hot but I'm on fire
Might not be on top of the world buy hey
I'm on my way ay
I'm on my way ay
I'm on my way ay
I'm on my way
I'm on my wayAll alone in your bed
You tried when you said
What you said
Yeah you poured your heart out
But nothing's changed
Still a picture in a frame
And you try but you just can't break out, noBut stand up and never say never
'Cause this life is gonna get better
Take a breath, shake it off and say
I'm on my wayYou been down and feel so fed up
When they tell you, you might not get up
Might not be on top of the world but hey
Here's what you sayYou might work but I work harder
You might fight but I fight smarter
Might not be on the top of the world but hey
I'm on my way
You might fly but I fly higher

You're so hot but I'm on fire
Might not be on top of the world but hey
I'm on my waySo stand up and never say never
'Cause this life is gonna get better
Take a breath, shake it off and say
I'm on my wayYou might work but I work harder
You might fight but I fight smarter
Might not be on the top of the world but hey
I'm on my wayYou might fly but I fly higher
You're so hot but I'm on fire
Might not be on top of the world but hey
I'm on my way ay
I'm on my way ay
I'm on my way ay
I'm on my way ay
I'm on my way ay
I'm on my way ay
I'm on my way ay
I'm on my way
I'm on my way
