Fade Away

Ryder

[Verse 1]
I didn't want to
Want to get into
All that we've been through
Not tonight
Don't wanna fight you
It just makes me want you
Can't we just skip to
The part we like?[Pre-Chorus]
I just need somebody close
I don't need your heart of gold
Leave your conscious at the door
Oh-woah, oh-woah, oh-woah[Chorus]
Fade away, fade away
I just fuck to fade away, fade away
I just fuck to fade away, fade away
And since there's no more love
I just came to fuck
I just came to fade away, fade away
I just fuck to fade away, fade away
I just fuck to fade away, fade away
And since there's no more love
I just came to fuck
I just came to...[Verse 2]
Feeling so empty
Got no more in me
To shake this feeling
Come over me[Pre-Chorus]
I just need somebody close
I don't need a heart of gold
Leave your conscious at the door
Oh-woah, oh-woah, oh-woah[Chorus]
Fade away, fade away
I just fuck to fade away, fade away
I just fuck to fade away, fade away
And since there's no more love
I just came to fuck
I just came to fade away, fade away
I just fuck to fade away, fade away

I just fuck to fade away, fade away
And since there's no more love
I just came to fuck
I just came to...[Pre-Chorus]
I just need somebody close
I don't need a heart of gold
Leave your conscious at the door
Oh-woah, oh-woah, oh-woah[Chorus]
Fade away, fade away
I just fuck to fade away, fade away
I just fuck to fade away, fade away
And since there's no more love
I just came to fuck
I just came to fade away, fade away
I just fuck to fade away, fade away
I just fuck to fade away, fade away
And since there's no more love
I just came to fuck
I just came to...
