

Pretty When You Cry*

Vast

You're made of my rib, oh baby
You're made of my sin
And I cant tell where your lust ends
And where your love beginsI didn't want to hurt you baby
I didn't want to hurt you
I didn't want to hurt you
But you're pretty when you cryAnd the moon gives me permission
And I enter through her eyes
She's losing her virginity
And all her will to compromiseI didn't want to hurt you baby
I didn't want to hurt you
I didn't want to hurt you
But you're pretty when you cryI didn't want to fuck you baby
I didn't want to fuck you
I didn't want to fuck you
But you're pretty when you're mineI didn't really love you baby
I didn't really love you
I didn't really love you
But I'm pretty when I lieYou hurt me baby
I hurt you babyIf you knew how much I love you
You would run away
But when I treat you bad
It always makes you want to stay, heyI didn't want to hurt you baby
I didn't want to hurt you baby
I didn't want to hurt you baby
I didn't want to hurt you babyHow can you do this to me now?
How can you do this to me now?
How can you do this to me now?
