

# The Shore

**Basia Bulat**

There is no one who will take me by that shore  
Close to the smoke, far from the fires of your harbour.  
But if I am awake this time I'll know  
All over your eyes, a storm is rolling over, rolling over. Oh you can take away the divine my dear  
And comb your hair  
And I won't mind at all.  
Even when the thought's behind  
I came just to remind you  
I love you so. There is no one who will take me by that shore  
But the waves rushing down  
The waves rushing down on your shoulders.  
And if I am awake this time I'll know  
All over your eyes, a storm is nearly over  
Nearly over  
And you can take away the divine my dear  
And comb your hair  
And I won't mind at all.  
Even when the thought's behind  
I came just to remind you  
I love you so  
I love you so  
I love you so.
