

# Blue Orchid

## Tiare Helberg

You got a reaction  
You got a reaction didn't you?  
You took a white orchid  
You took a white orchid turned it blue

Something better than nothing  
Something better than nothing, it's giving up  
You need to do something  
Try keep the truth from showing up

How dare you  
How old are you now, anyway?  
How dare you  
How old are you now, anyway?

How old are you  
How old are you now, anyway?

You're given a flower  
But I guess that there's just no pleasing you  
Your lips tastes sour  
But you think that it's just me teasing you

You got a reaction  
You got a reaction, didn't you?  
You took a white orchid  
You took a white orchid turned it blue

Get behind me  
Get behind me now, anyway  
Get behind me  
Get behind me now, anyway

Get behind me  
Get behind me now, anyway

You got a reaction  
You got a reaction, didn't you?  
You took a white orchid

You took a white orchid turned it blue
