

Baby...Please

Dave Mason

I think Ill lose an hour or two
With you beside the water
Dont lose time in bringing me
That good thing that you ought toBaby please
Youve got me scraping my knees
Baby please
Please, please, dont make me go back to the freezeEvery time that I try to connect girl
Well, it seems that your line is engaged
Im a slave to the way that you move me
Im a puppy dog wagging my tailBaby please
Youve got me scraping my knees
Baby please
Please, please, dont make me go back to the freezeStaring out of windows like a helpless child
Pouring down the whiskey like its goin out of style
Trying to tell myself that everything is fine
In a big rubber room with a silver spoon still on my mindWell, Im pacing the floor like a tiger
Living nights that have passed into days
Looking over my shoulder
To catch anything coming my wayBaby please
Youve got me scraping my knees
Baby please
Please, please, dont make me go back to the freeze
