Virtue to Vice

Deathstars

These secrets I'll bring to you
Are of thorns and iceHush....
Don't tell them nothing, not a word

Hush...

Don't tell them nothing, not a single thing that I've said to youHear all my secrets

Tell all the lies

Hear all my secrets

Tell all the fucking lies!Can you hear it scream?

Deep deep insideHush...

Now listen carefully, here it comes

Hush...

It's what I keep inside, this is the crime that I've tried to hideHear all my secrets

Tell all the lies

Hear all my secrets

Tell all the fucking lies!Can you hear it scream?

Deep deep insideEnvy...Sloth...Gluttony...Wrath...Pride...Lust...GreedThese secrets I'll bring to you

Are of thorns and ice

These secrets I'll give to you

Will turn virtue to viceThese secrets I'll bring to you

(These secrets I'll bring to you)

Are of thorns and ice

(Are of thorns and ice)

These secrets I'll give to you

(These secrets I'll give to you)

Will turn virtue to vice

(Will turn virtue to vice!)Can you hear it scream?

Deep deep insideI'll tell you only once...
