Scarred (Shokâ€™s Zeitmahl remix)

Combichrist

Do you ever get the feeling that everything in America is completely fucked up?The choice you make
Will be your own
A pattern forms
Too scarred to feelToo scared to follow
And so am I
Wisdom will cower
And so will IWords breed lies
Beneath it all
Death in your veins
Life on your knees
The rain will wash me away
All structures collapse
Nothing covers my grave
Only destruction remains
