Anything

Pale Divine

I have, I have some life to kill
I can, I can be there for you
I have this history to draw upon
I know I have it all again to do
I have it all again to do
And I do
I have, I have been here before
I can, I can get over you
I have this history to draw upon
I know, I know what I'm supposed to do
Gonna make you laugh
While I make you cry
And if I have to sell you
What'll you buy, what'll you buy
I'm asking what you want
(Take anything at all)
I'm asking what you need, yeah
(Take anything at all)
You're asking me to bleed
(Take anything at all)
What can I give you to make you want me
(Take anything, take anything, take anything at all)
Oh, what do you want, what do you want from me
What do you want from me
Please take it
And if you think that's what you want
Just take it
Gonna make you laugh
While I make you cry
'Cause if I have to sell you
Oh, what'll you buy, what'll you buy
I'm asking what you want
(Take anything at all)
Oh, I'm asking what you need, yeah
(Take anything at all)
Stop asking me to bleed
(Take anything at all)
What can I give you to make you want me
(Take anything, take anything, take anything at all)

Oh, what do you want
What do you want from me
What do you want from me, oh
(Take anything, take anything at all)
You gotta take it
(Take anything at all)
Lord, take it
Take anything at all
