Supercut

Lorde

In my head, I play a supercut of us
All the magic we gave off
All the love we had and lost
And in my head
The visions never stop
These ribbons wrap me up
But when I reach for you
There's just a supercutIn your car, the radio up
In your car, the radio up
We keep trying to talk about us
I'm someone you maybe might love
I'll be your quiet afternoon crush
Be your violent overnight rush
Make you crazy over my touchBut it's just a supercut of us
Supercut of us
Oh it's just a supercut of us
Supercut of usSo I fall
Into continents and cars
All the stages and the stars
I turn all of it
To just a supercut'Cause in my head (in my head, I do everything right)
When you call (when you call, I'll forgive and not fight)
Because ours (are the moments I play in the dark)
We were wild and fluorescent, come home to my heart, uhIn your car, the radio up
In your car, the radio up
We keep trying to talk about us
Slow motion, I'm watching our love
I'll be your quiet afternoon crush
Be your violent overnight rush
Make you crazy over my touchBut it's just a supercut of us
Supercut of us
Oh it's just a supercut of us
Supercut of us
But it's just a supercut of us
Supercut of us
Oh it's just a supercut of us
Supercut of usCause in my head, in my head, I do everything right
When you call I'll forgive and not fight
All the moments I play in the dark

Wild and fluorescent, come home to my heart'Cause in my head (in my head, I do everything right)
When you call (when you call, I'll forgive and not fight)
Because ours (are the moments I play in the dark)
We were wild and fluorescent, come home to my heartCause in my head (in my head, I do everything right)
When you call (when you call, I'll forgive and not fight)
Because ours (are the moments I play in the dark)
We were wild and fluorescent, come home to my heartIn my head, I do everything right
In my head, I do everything right
