

PG Click (feat. Niko G4) (Prod. by J.LBS)

Dom Kennedy

[Verse 1: DOM KENNEDY]

On the daily you know what I wear
Chanel Platinum's all that I hear
Say you ball; I'm a just share
Lock you down girl, I'm a do years
Pretty girl with the long hair
Where you been, whats over there?
Ugly girls stop and they stare
Its too bad, life it ain't fair
Drop it low like you dont care
What you got on, I like ya Nike airs
Buy me some I like a nice pair
Before 21 I could buy beer
Stayed down all of these years
Im not home you calling me there
Headed to the top follow me there
Met her at her spot she swallowed me there
We the new clique tell all to beware
Niggas look hard I oughta be scared
You niggas look fraud I solemnly swear
To never be a lame shit all of me is player
All this game and all of these prayers
Keeps me away from all you squares
Thick, ass like you do stairs
Well done but I can do rare

[Hook x2]

Pretty girl with the long hair (x8)

[Verse 2 Niko G4]

Pretty girl, long ass hair
Big ol ass, I fucked her bare
Off a pill like nigga who cares?
All my diamonds clear and rare
She coming, fucking, sucking, running
Loving the whole team
All my bitches sexy, ass thick with tongue rings
Spending all these stacks, tell her bring that pussy back
Have you loving young niggas, tell yo friends where its at
Bitch I been on the map, bitch you been on my sack
Now you getting extra thirsty cuz you heard a nigga rap

Boy G4, brand new kicks, all them Prada yea it cost 6

Wore em last week when I fucked yo bitch

Sace frames gold rings and shit

Roll with the winners, OpM the clique

[Verse 3: DOM KENNEDY]

OpM the clique, like a nigga came early

Know we in this bitch

Take it out put it back in

Thats not water baby thats gin

Thats not soda baby thats hen

What we gone eat? You gave me that \$10

You looking good in that baby ass Benz

Windows down baby ass rims

Baby tee, baby hair, baby shorts, baby ass timbs

I dont fuck with shady ass friends

Your nigga fake, maybe ask him

Met up, she gave me that trim

See me out, like Baby thats him

My favorite drink is Grey Goose Pear

Give it to me in this chair

Anytime, anywhere pretty girl with the long hair

[Hook x2]

Pretty girl with the long hair (x8)

[Outro]

[Notorious BIG] & (DOM KENNEDY)

[Who they attracting with that line, whats yo name, whats yo sign?

Soon as he buy that wine I just creep up from behind]

(Honeys and money honeys and money

Honeys and money we getting Honeys and Money

Its funny how life changes we living dangerous

And every week we go to Vegas how can you blame us

Honeys and money honeys and money

Honeys and money we getting honeys and money) x2

[Who rock crews and make moves with all the mommys

The back of the club slipping moet is where ya find me

The back of the club macking hoes my crews behind me]

(Nigga throw yo hands up if you grew up in the 90s)

[Mad question asking, blunt passing, music lasting

But I just cant quit

Mad question asking, blunt passing, music lasting

But I just cant quit

Who they attracting with that line, whats yo name, whats yo sign?

Soon as he buy that wine I just creep up from behind]

(Honeys and money honeys and money

Honeys and money we getting honeys and money)

[Who rock crews and make moves with all the mommys
The back of the club slipping moet is where ya find me
The back of the club macking hoes my crews behind me]
(Nigga throw yo hands up if you grew up in the 90s) x2
