

Love Is the Golden Rule

Gordon Mote

Babies are crying. People are dying.
Violence is the law of the land.
The world's in a shake-up.
It's time we wake up
And answer to a higher command. Fighting and fussing, screaming and cussing
Never solved a single thing.
Come let us reason. Let's start believing.
It's time for us to make a change. Oh, oh, oh,
We must find a way to love one another
And stop the hate that breaks us in two.
We must learn to live together as brothers,
Or we will perish together as fools. Oh, oh, oh. Whoa, whoa, whoa.
Oh, oh, oh, love is the golden rule.
Oh, oh, oh, oh. Whoa, whoa, whoa.
Whoa, love is the golden rule. You see it your way. I see it my way.
What if we both could agree.
There's a solution, a love revolution.
That starts and ends with you and me. Oh, oh, oh, we must find a way
To love one another
And stop the hate
That breaks us in two. We must learn to live together as brothers,
Or we will perish together as fools. Oh, oh, oh. Whoa, whoa, whoa.
Oh, oh, oh. Love is the golden rule. Oh, oh, oh, oh. Whoa, whoa, whoa.
Whoa, love is the golden rule.
Whoa, whoa, whoa.
We've got to find a way to love one another.
Whoa, love is the golden rule. Whoa, whoa, whoa. We've got to live as sisters and brothers.
Whoa, love is the golden rule. Oh, oh, oh, yeah. Whoa, whoa. Whoa.
Whoa, love is the golden rule.
Sweet, sweet love. Whoa, whoa, whoa.
Oh, oh. Whoa, whoa, whoa. Whoa. Whoa,
Love is the golden rule. The world's in a shake-up.
It's time that we wake up
Love is the golden rule.
