

She (feat. Frank Ocean)

Tyler, The Creator

Golden rubbers in these denim pockets (denim pockets)

On my waist, there's a black Glock (black Glock)

New girl moved on the block (on the block)

She been plottin' on my brown cock (brown cock)

Last night I slept over hers (over hers)

During sex, I overheard (I overheard)

A sword sliced the air, I pulled out the na-na

Rolled off the bed then shot back, pa-pa

Blood on the sheets probably spillin' from my gash

Looked out the glass, seen you sprintin' on the grass

A real ninja with the blade and the mask

Got them gold ninja stars and red Supreme nunchuks

Now she tryna patch me up, but

Girl, I was just tryna get a nutbust

If that's your ex, you should probably own a pistol

But I'm guessin' it's wiser to exit with dude[Chorus]

The blinds wide open so he can

See you in the dark when you're sleepin'

Think about it, fresh out the shower

You touch yourself after hours

Ain't no man allowed in your bedroom

You're sleeping alone in your bed

But check your window, he's at your window The night light hits off, turnin' kisses to bites

I'm a down to earth nigga with intentions that's right

You'll be down in earth quicker if you diss me tonight

But I'll be the happiest if you decide to kick it tonight

We can chill and I can act like I don't wanna fuck

You can tell me all your problems like I really give one

But I give two for us 'cause you're the one that I want

Don't wanna seem like a punk pussy that sips on the punk pussy

See when I'm with my friends I just put on a front

But in the back of my top I'm writing songs about we

We as including I and yourself, making three

Little ones ? pretty hard if you ask me

You're a pretty broad in the top three

Of things that I've been waiting to come, so

Meet me by the lake around 10 and skinny dippin' and then

We can begin the pretend game, I wanna be Finn from Adventure in Time[Chorus]One, two, you're the girl that

I want

Three, four, five, six, seven, shit
Eight is the bullets if you say no after all this
And I just couldn't take it, you're so motherfuckin' gorgeous
Gorgeous, baby you're gorgeous
I just wanna drag you're lifeless body to the forest
And fornicate with it but that's because I'm in love with
You cuntI just wanna talk, and conversate
Cause I usually just stalk you and masturbate
And I finally got the courage to ask you on a date
So just say yes, let the future fall into place
I just wanna talk, and conversate
Cause I usually just stalk you and masturbate
And I finally got the courage to ask you on a date
So just say yes, let the future fall into place cunt[Chorus]One, two, you're the girl that I want
Three, four, five, six, seven, shit
Eight is the bullets if you say no after all this
And I just couldn't take it, you're so motherfuckin' gorgeous
Gorgeous, baby you're gorgeous
