

Wonderful

Bleach

As we walk hand in hand
She holds me tightly 'cause she's my girl
As we walk hand in hand
She smiles so brightly 'cause I'm her guyAs we walk hand in hand
We'll help each other, this love's so true
As we walk hand in hand
He loves us dearly, this three's now oneIt's wonderful, so wonderful
It's wonderful, so wonderfulAs we walk hand in hand
I feel a joy come over me
As we walk hand in hand
I know we're where God wants us to beAs we walk hand in hand
She's thinking of me wherever she goes
As we walk hand in hand
I whisper softly what she already knowsIt's wonderful, so wonderful
It's wonderful, so wonderful
It's wonderful, so wonderful
It's wonderful, so wonderfulI thank You Lord for all You've done
You gave it all, You gave your son
And now You've given me this girl, it's wonderfulAs we walk hand in hand
She holds me tightly 'cause she's my girl
As we walk hand in hand
She smiles so brightly 'cause I'm her guyAs we walk hand in hand
We'll help each other this love's so true
As we walk hand in hand
He loves us dearly this three's now oneAs we walk hand in hand
