

Finest Little Space

Unbelievable Truth

Sooner or later you'll take off your skin and go to sleep
And pray it's forever
If he's still out there he'll come home
Too much for all they care
Seen too much for all they care
And been around and seen what's there
And you can't bring it back any more
If it gets better
Is there a chance that you'll come back
Or if it's forever
Is there a choice for us to make
Too much for all they care
You're inside the finest little space
And the slightest sound just
Makes you want to close your eyes
And hold your breath
