

# Fragile (Free)

[Maria Mena](#)

I've been walking around all day thinking  
I think I have a problem, I think, I think too much  
I've been taught to hold back my tears and avoid them  
But you make pain into something I could touch I've been walking around all day, laughing  
I think, I'd be better off without you here  
And I bet, you're sweet and hard to get over  
So I'll cry and people will stop and stare Now that's okay  
Let them stop and stare 'Cause I am fragile  
I am hopeless  
I'm not perfect  
But I am free I've been walking around all day, waiting  
And waiting is all I seem to do  
'Cause I never get it unless I'm fed it  
But this time I'll just have to  
Yeah, this time I'll just have to And I'm fragile  
I am hopeless  
I'm not perfect  
But I am free Say you're not around, am I finished?  
If you're not around, that's too bad  
Hope you're safe and sound, not alone now  
'Cause you know I believe in you I'm still fragile  
I'm still hopeless  
I'm not perfect  
But I am free And I'm fragile  
I am hopeless  
I'm not perfect  
But I am free And oh, I am fragile  
Hopeless  
I'm not perfect  
But I am free Oh, oh, oh, oh  
Oh, oh, oh, oh  
Oh, oh, oh, oh
