

Padre Siffredi

Barcode

Size does matter, the bigger the badder
Some like it nasty and some like it hot
Young or mature, dirty or pure
Padre Siffredi will deliver the cure
Ebonys, redheads blondes and brunettes
Count your blessings, spread your legs, salvations ahead
Some want to suck, others to fuck
Rocco tenders every need as long as he may enter your butt
Rocco did Paris, Rocco did Prague
Rocco took Europe for a night on the town
Jenna, Silvia, Chasey, Celeste
Rocco prefers the back doors of the best
Size does matter, the bigger the badder
Some like it nasty and some like it hot
Rocco is rough, Rocco is mean
Roccas a legend and he is alive and for real
