

# Sometimes It Snows in April

[Meshell Ndegeocello](#)

Tracy died soon after a long fought civil war  
Just after I wiped away his last tear  
I guess he's better off than he was before  
A whole lot better off than the fools he left here  
I used to cry for Tracy cause he was my only friend  
Those kinds of cars don't pass you every day  
I used to cry for Tracy cause I want to see him again  
But sometimes, sometimes life isn't always that way Sometimes it snows in April  
Sometimes I feel so sad  
Sometimes I wish that life was never ending  
All good things, they say, never last  
Springtime was always my favorite time of year  
A time for lovers holding hands in the rain  
Now springtime it only reminds me of Tracy's tears  
Always cry for love, never cry for pain  
He used to say so strong and unafraid  
"I'm not afraid to die"  
"I'm not afraid to die"  
Now I stare at his picture  
And I realize that no one cried the way Tracy cried  
No one cried the way Tracy cried Sometimes it snows in April  
Sometimes I feel so sad  
Sometimes I wish that life was never ending  
But all good things, they say, never last I often dream of heaven, I know Tracy's there  
I know that he has found another friend  
Maybe he's found the answer to all the April snow  
And maybe one day I'll see Tracy again  
Sometimes it snows in April  
Sometimes I feel so sad  
Sometimes I wish that life was never ending  
But all good things, they say, never last  
All good things, they say, never last  
And love, isn't love until it's past
