

# bottle up & explode

**Elliott Smith**

Bottle up and explode over and over  
Keep the troublemaker below  
Put it away, check out for the day  
In for a round of over-exposure  
The thing mother nature provides to get up and go  
Bottle up and explode, seeing the stars  
Surrounding you red, white, blue  
You look at him like you've never known him  
But I know for a fact that you have  
The last time you cried who'd you think was inside?  
Thinking that you were about to come over  
But I'm tired now of waiting for you, you never show  
Bottle up and go, if you're gonna hide  
It's up to you, I'm coming through  
Bottle up and go, I can make it outside  
I'll get through becoming you, becoming you, becoming you
