

# Glass Shatters (WWF Forceable Entry)

## Disturbed

Step up 'cause you're the next one in line for the kill  
You don't believe it but I'm betting that you will  
Step down, I'll let you live a little bit with the pain that I bring  
You know it's only the beginning Step up 'cause you're the next one in line for the kill  
You don't believe it but I'm betting that you will  
Step down, I'll let you live a little bit with the pain that I bring  
You know it's only the beginning Step up 'cause you're the next one in line for the kill  
You don't believe it but I'm betting that you will  
Step down, I'll let you live a little bit with the pain that I bring  
You know it's only the beginning I'm breaking the limit inside you  
Stop begging someone to hide you  
I'm breaking the limit inside you  
Stop begging someone to hide you I'm breaking the limit inside you  
Stop begging someone to hide you  
I'm breaking the limit inside you  
Don't run away, bring it on, straight to me Step up 'cause you're the next one in line for the kill  
You don't believe it but I'm betting that you will  
Step down, I'll let you live a little bit with the pain that I bring  
You know it's only the beginning Step up 'cause you're the next one in line for the kill
