

# Some Boys (Demo Version)

## Death Cab for Cutie

Some boys are filling, some boys are filling the hole  
They're making the killing at the top of the billings  
Their role, and that's all that they know  
But some boys don't listen, some boys don't listen at all  
They don't ask for permission, they lack inhibitions  
No walls, and they get what they want  
But some boys don't know how to love  
Some boys are singing, some boys  
are singing the blues  
Joylessly flinging with the girls that they're bringing to their rooms  
And then leave them, they're through  
Some boys are sleeping, some boys are sleeping alone  
'Cause there's no one that's keeping them warm through the evening  
They know that they're on their own  
'Cause some boys don't know how to love  
Some boys are filling, some boys  
are filling the hole  
Some boys are sleeping, some boys are sleeping alone  
Some boys don't know how to love  
No, some boys don't know how to love  
No, some boys don't know how to love  
No, some boys don't know how to love  
They won't get what they want
