A Walk In The Park

SOUNDTRONIC

A walk in the park, there will be no bother
Since we are not decision-maker
Government is the chief dealer
Oh, if they don't exist
How can I burst into laughter
A walk in the park, go look around from west to east
It is so tough being a giraffe
Can I get along well with him
He recognizes me since I were a toddler
A walk in the park, there will be no bother

Since we are not decision-maker
Government is the chief dealer
Oh, if they don't exist
How can I burst into laughter
A walk in the park, go look around from west to east
It is so tough being a giraffe
Can I get along well with him
He recognizes me since I were a toddler
A walk in the park, go look around from west to east
A walk in the park, go look around from west to east
