

Oh How Wondrous

John P. Kee

Verse 1:

Oh how wondrous is the name of the Lord,
how we worship, His name is to be adored.
God our Maker endured pain, guilt, and strife,
so that we might access our eternal life.

Bridge:

We offer sincere praise,
We stand and bless Your holy name.
Your blood has loosed all the chains,
all men shall proclaim, there's power in Your name.

Chorus:

How we love You,
Your name is so sweet,
Your joy is complete.

We love You,
we reverence Your face
in this holy place.

Verse 2:

Jehovah Jireh, He who provides for us all.
Our Strong Tower, who hears and moves when we call.
Elohim, He created us from the dust.
Jehovah Shammah, the Lord is present with us.

Bridge

Chorus
