Post-Modern Sleaze

Sneaker Pimps

She looks ahead She paints her toenails red She's wet and wild A typical 90's childShe makes every move they make She takes everything they take She must be a Thelma or Louise She must be a post-modern sleazeUnscrew the wine She'll throw a party a line Stories extreme She's such a drama queenCries through the night She choked on Marlboro lights Pure charm and grace She hates her pretty faceShe makes every move they make She takes everything they take She must be a Thelma or Louise She must be a post-modern sleazeStraw spun from gold

All doom and gloom
She plays an open woundShe takes everything they steal
She fakes every pain they feel
She must be a Thelma or Louise
She must be a post-modern tease

She craves a tortured soul
