

# The Green Manalishi (With the Two Prong Crown)

## Fleetwood Mac

Now, when the day goes to sleep  
And the full moon looks  
The night is so black that the darkness cooks  
Don't you come creepin' around  
Makin' me do things I don't wanna do  
Can't believe that you need my love so bad  
Come sneakin' around tryin' to drive me mad  
Bustin' in on my dreams  
Makin' me see things I don't wanna see  
Cause you're the Green Manalishi  
With the two pronged crown  
All your giving is up, all your bringing is down
