

# Little Sister

## The Runaways

Little sister, on your rollerskates  
It's Friday nite an' you got a date  
Right in front of the Watergate  
But now he's gone 'cause you're too late  
It's too late to be a kid in love  
It's too late to be a kid in love  
We're the kids in hate  
Little sister, you're sure lookin' great  
You hope someday you'll be playmate  
Well, why did you wait?  
Your chance is gone an' now you're too late

It's too late to be a kid in love  
It's too late to be a kid in love  
We're the kids in hate  
Little sister, don't you be so straight  
Let your old folks call ya jail-bait  
This mean world it belongs to us  
It can be yours so don't hesitate, c'mon  
It's too late to be a kid in love  
It's too late to be a kid in love  
We're the kids in hate
