Wherever I Go

Hannah Montana

Here we are now
Everything is about to change
We face tomorrow as we say goodbye to yesterday
A chapter ending but the stories only just begun
A page is turning for everyone
So I'm moving on
Letting go
Holding on to tomorrow
I've always got the memories while I'm finding out who I'm gonna be
We might be apart but I hope you always know
You'll be with me wherever I go
Wherever I go
So excited I can barely even catch my breath
WE have each other to lean on for the road ahead
This happy ending is the start of all our dreams
And I know your heart is with me
So I'm moving on
Letting go
Holding on to tomorrow
I've always got the memories while I'm finding out who I'm gonna be

We might be apart but I hope you always know
You'll be with me wherever I go
Its time to show the world we've got something to say
A song to sing out loud we'll never fade away
I know I'll miss you but we'll meet again someday
We'll never fade away
So I'm moving on
Letting go
Holding on to tomorrow
I've always got the memories while I'm finding out who I'm gonna be
We might be apart but I hope you always know
You'll be with me
So I'm moving on
Letting go
Holding on to tomorrow
I've always got the memories while I'm finding out who I'm gonna be
We might be apart but I hope you always know
You'll be with me wherever I go

Wherever, wherever I go
