Angel by the Wings

Sia

Oh so, your wounds they show
I know you have never felt so alone
But hold on, head up, be strong
Oh hold on, hold on until you hear them come
Here they come, ohTake an angel by the wings
Beg her now for anything
Beg her now for one more day
Take an angel by the wings
Time to tell her everything
Ask her for the strength to stay
You can, you can do anything, anything
You can do anything
You can, you can do anything, anything
You can do anything
You can, you can do anything, anything
You can do anything
You can, you can do anything, anything
You can do anythingLook up, call to the sky
Oh, look up and don't ask why, ohJust take an angel by the wings
Beg her now for anything
Beg her now for one more day
Take an angel by the wings
Time to tell her anything
Ask her for the strength to stay
You can, you can do anything, anything
You can do anything
You can, you can do anything, anything
You can do anything
You can, you can do anything, anything
You can do anything
You can, you can do anything, anything
You can do anythingYou can, you can do anything, anything
You can do anything
You can, you can do anything, anything
You can do anything
You can, you can do anything, anything
You can do anything
You can, you can do anything, anything
You can do anything
